

HOW TO USE CLEVER

At Clever RX we believe in accessibility to RX savings and the power of 80s love songs. So you're not all out of love, so lost without us, we've broken down the benefits of using Clever RX via the Clever RX app, website, and/or physical cards:

APP

- **PRICE PRESCRIPTIONS:**
Can search the price of any medication at the tip of your fingers within the app.
- **CHOICE OF PHARMACY:**
Populates your preferred pharmacy, the pharmacy with the lowest price, and/or the pharmacy nearest you. It's all about personalizing your experience and giving you choices.
- **MEDICINE CABINET:**
In-app medicine cabinet allows you to save your recently searched prescriptions and vouchers for easy access.
- **SAVINGS:**
Access to discounts on all 55,000 FDA approved medications, of which 40% cost \$10 or less, at all 80,000 pharmacies in our nationwide network.

WEBSITE

- **PRICE PRESCRIPTIONS:**
Can search the price of any medication on a computer or mobile device.
- **CHOICE OF PHARMACY:**
Populates the pharmacy with the lowest price and/or at the pharmacy nearest you. It's all about choices.
- **MEDICINE CABINET:**
Is in your bathroom and could probably use to be cleaned out.
- **SAVINGS:**
Access to discounts on all 55,000 FDA approved medications, of which 40% cost \$10 or less, at all 80,000 pharmacies in our network nationwide.

PHYSICAL CARDS

- **PRICE PRESCRIPTIONS:**
Find out the price of your medication when the Clever RX card is presented to the pharmacist.
- **CHOICE OF PHARMACY:**
Can be used at the pharmacies listed on the back of the card.
Includes: CVS, Walmart, Kroger, Walgreens, Target, Longs Drugs, Fry's, Harris Teeter, and Duane Reade.
Alternative card option available.
- **MEDICINE CABINET:**
Is the place you put your prescriptions when you get home from the pharmacy.
- **SAVINGS:**
Save up to 80% at the pharmacies listed on the back of the card.
